

Dr Sian Jones — Governing Body Chair

Born and brought up in West Wales, I qualified from The Royal Free School of Medicine in 1985. My post registration experience has been varied including working in a rural surgery in Glastonbury, as a GP in Australia and a community paediatrician in Bristol and Guildford. My particular interests are in children's and women's' health. I am a GP in Womersley, initially salaried & as a partner from 2002. I have been involved in Gold Standards Framework (GSF) development and have a keen interest in improving End of Life Care (EOLC) in practice and look forward to leading in the area of cancer and EOLC on the board.

I am school doctor & member of MOSA (Medical Officers of Schools Association).

Qualifications: MBBS London (1985) DCH, DRCOG
