

Julia Dutchman-Bailey — Independent Nurse

Julia Dutchman-Bailey is an experienced NHS Director with 10 years of working at Board level, of which 7 years were as Executive Nurse Director. In the past 6 years she has worked in system-wide leadership roles, initially at the Strategic Health Authority, then a Primary Care Trust and latterly in NHS England as Director of Nursing – South Region for Specialised Commissioning.

Julia has invested time in executive coaching and team development and is regarded as a “trusted advisor.” Her roles have included board level accountability for corporate and clinical governance, assurance of adult and children safeguarding systems, developing strategy and, via organisational development programmes, improving workforce culture.
